

KNIT TYPE

3D

Double layered knit with polyester fill. The three-dimensionality is a result of how and where the front and back layers attach in combination with where the fill yarn is allowed to expand.

KNIT BREAKDOWN	A.	Front layer
	B.	Filling yarn
	C.	Back layer
	D.	3D texture
	E.	Attachments

TEXTILE COMPOSITION

♻️ Recycled Polyester
70% ♻️ Polyester 30%

FRONT + BACK YARN

SINTERAMA NEWLIFE™
A high-performance yarn crafted from post-consumer plastic bottles collected in Italy. With its durable, easy-care, and lightweight properties, Newlife™ yarn utilizes a hazardous chemical-free mechanical process to transform bottles into polymer.
